[Visit us at Digital Retailing!](#)

Helius provides 'next generation' IP Video distribution for operating digital signage networks.

Meet a Helius representative at [Digital Retailing Expo 2006](#) in Chicago on 17-18 May 2006. Booth #1410.

If you don't have time to visit the show but would like to have a brief exchange of information, schedule a meeting for a later date, or request a demo, don't hesitate to make contact. Please email Helius at: info@helius.com

NAB

Thanks to each of you, our attendance at NAB was a tremendous success. We were able to speak with many of you, share insights and generate new business.

If you were not able to stop by our booth we welcome you to contact us for a more indepth discussion about our solutions for [digital signage](#), [digital cinema](#), [training and interactive distance learning](#), handheld video devices, and all of the innovative ways to distribute and use video over IP.

2006 PARTNER SUMMIT

Plan early to join us on Tuesday, October 3 through Wednesday, October 4, 2006 for our 2006 Helius Partner Summit!

TRAINING SERIES

Helius has now joined Webex for delivering online training and meeting development. Coming at the end of May with the next technical support training session, we will be using Webex which will include registration for courses and sign in. Helius.webex.com will include a list or calendar of all scheduled training sessions.

Invitations for the May 25, 2006 technical support training session will go out in a couple weeks. Sales and marketing may join us for this technical support session as we will be reviewing MediaSignage from the Provider login level.

The Partner web site on www.helius.com > [Partner login](#) will still have up-to-date information and access to courses so please refer to the Partner website for the Training schedule.

NOTE: The Sales training session has been cancelled for May.
